sey, who was born in South Carolina in September, 1833, a daughter of Arthur and Margaret (Laulk) Lipsey, to which union were born two sons and four daughters: John Thomas, who resides in Arkansas; Samuel Marion, at home; Mary Ann (deceased), Margaret N. (deceased), Minnie J., at home, and Nettie Ellen, wife of Oscar Knox, of Pontotoc. In 1862 Mr. Hall enlisted in the Twenty-fourth Mississippi infantry as a private and served until the close of the war, proving himself a true and trusty soldier to the cause he espoused. He took part in the engagements at Murfreesboro, Dalton, Resaca, Marietta, Kenesaw mountain, Franklin, Nashville, Atlanta, Jonesboro and a great many minor engagements and skirmishes. He was slightly wounded at Resaca and Jonesboro, but did not leave the field. After being paroled at Gainesboro, N. C., April 26, 1865, he returned to his home to once more take upon himself the duties of planting, walking the entire distance of over one thousand two hundred miles, there being eight whites and two negroes in the party. When they had reached Russellville, Miss., they were met by a party of outlaws who attempted to rob them of what valuables they possessed, but were met by stubborn resistance, and Mr. Hall and his friends managed to get safely away. At that time Mr. Hall owned a half section of land seven miles east of Houston, to which he has added until he now owns eight hundred acres in one tract and four hundred in another, all in Chickasaw county. This entire property has been acquired by his own efforts, for which he deserves much credit. In 1875 he removed to Houston, where he engaged in the livery business and two years later opened a drug store, which he still conducts in connection with his livery establishment. In 1879 he opened, in connection with his nephew, E. J. Hall, a general mercantile store, in which he was interested until the 1st of September, 1887. Mr. Hall is a member of the Christian church, but his wife, who died in September, 1887, was a member of the Methodist Episcopal church. On the 29th of March, 1891, he took for his second wife Mrs. Ann Gamblin, a native of Chickasaw county, daughter of Isaac and Mary Paulk and widow of Frank Gamblin. Mr. Hall is a member of Pikeville lodge of the A. F. & A. M., of Buena Vista, and is a Royal Arch Mason, of Houston chapter.

→ William G. Hall is one of those successful planters of the South who deserves more than ordinary credit for the successful manner in which he has made his way through life, for, by his own energy, perseverance and good management he has become the owner of two hundred and ninety acres of fine farming land, the most of which is fine river bottom land. This land is situated about three miles (by rail) northeast of Meridian, and is devoted principally to the raising of cotton, corn and potatoes. Mr. Hall is a native of Mississippi, where he was born in 1847 in Lauderdale county, and upon attaining a suitable age he was sent to the common schools, where he obtained sufficient education to fit him for the practical duties of life. He was brought up to the life of a planter, and upon starting out in life for himself it is not to be wondered at that he determined to make planting his chief calling. He was married in 1875 to Miss Annie White, a native of the same county as himself, and by her he is the father of three children: Sidney, Mary and Margaret. Although he began to make his own way in the world under adverse circumstances, he has done well and now constitutes a living illustration of the fact, that industry, perseverance and honesty are the stepping stones to success and independence. He is of a rather retiring disposition, but is very benevolent and has heart large enough to take in all mankind. He is a friend of education, is a Methodist in his religious views, and socially is a member of the K. of P. and the Farmers' Alliance. In addition to planting he has given considerable attention to stock-raising, the most of his cattle being good graded Jerseys. His father, who also bore the name of William G. Hall, was born in South Carolina in 1810, and was married to Miss Mary Odum, of Alabama.
